1. First of all, the TeleHealth appointment has to be scheduled by VFP with your provider.
2. At the time of your appointment the provider will be sending you a text or email message with a link.
  - a. That message includes provider's name and the link.
3. Please open the message and select the link.

4. It will bring you to the web page where you will be prompted to enter your name.
  - a. Please enter you name.
  - b. Select: Check-in.

5. Your device will request a permission to use video camera. Please Allow it.
6. After the check in is done it will make you available in the provider's waiting list.
7. Please wait until you get a video call from your provider.
